the concept of making money when you sleep has drawn a crowd to the pursuit of passive income theoretically you put in some time and money in the start then relax and let the money pour in when you focus on other things this appears like a dream become a reality but it s mostly only a dream in today s workforce relying on one income source is risky job protection is rarely guaranteed and a little extra cash is useful always by using your primary income source to cover basic expenses you may use extra income streams to pay off debts reduce your economic burden or avoid going further into debt when you are able to pay for larger purchases up front rather than with a credit card or loan conversely passive income is cash that

continues to pay out following the initial work is done traditionally income that were considered passive generally included money earned from investments in shares or profit acquired by a person who had invested in accommodations property but wasn't involved in the management or day to day functions of that property this book covers passive income dropshipping affiliate marketing blogging dividend stocks merch by amazon programs amazon fba ebook online courses freelancing as a virtual assistant and more these are great ways to make passive income still although they require a substantial investment right from the start with the rise of the internet the potential to develop passive income is around every corner if you know where to look and you will get started with much smaller investments although you absolutely can drastically reduce the amount of time you may spend working throughout the full week a passive income stream won't be quite passive fully in order to ensure you possess a well rounded understanding of all aspects of your business it is suggested to be as included as you can be in the start you can then outsource whatever you don't want to do or that you aren't well suited for to experts or automate with software among the great perks of working online is that you can have got multiple businesses creating income for you without the trouble of owning or renting different buildings hiring managers personnel maintenance etc or trying to find and attract a person base in your area your online businesses could be available to anyone across the globe twenty four hours a time 3 hundred sixty five days a full year with outsourcing and automation these tools can grow your client base and make you money any moment of day or night with minimal involvement on your own part it's never too late to begin with building passive income and you don't need to be a trained businessperson to begin with building your own business online if you are ready to put in your time and effort to learn and improve as you move you can build an effective business and passive income stream in addition to anyone with an online business you will be your own boss and work from you want anywhere and the best part is that there is no cap on how much money you may make with patience and persistence you can perform the financial freedom we all fantasy of and you can eventually reduce your functioning hours to less than those of a part time job while still maintaining plenty of income want to start your journey to financial freedom click and buy now

it is important to be passionate and like your business do not pick something you hate just because it is the current trend you will have to remember this is your business most businesses are profitable and it is more important that it is legal ethical and it is something you can be proud of don't chase the money doing thing that is not right just to make more money does not help you sleep at night when your business is successful you can then through proper investments create your financial freedom and passive income do not worry about the money a good business and well executed business plan is profitable if you believe in your business and you want to be for the long run think of ways that you could give back to the community that supported you call it corporate social responsibility it goes a long way this book is a journey that show you the traits of successful businessmen and how to have the right mindset to start your own business

if you've picked up this book chances are you are the owner of a small to medium business you look around your office and feel that slight tinge of overwhelm creeping in as your eyes scan across the piles of business cards and you think about all of those people you've neglected to get in touch with you know that your business is built on your connections even in an increasingly online space but you just don't know where to start in gathering them up and doing something with them you'll learn a simple process to gather your contacts sort them get a simple crm in place and take action with your contacts in a non salesy way to help you to generate better word of mouth referrals for your business

in her dissertation julia sosnizka deals with the question whether and to what extent the collocational behavior of written anglicisms in german resembles the collocational behavior of these word forms in the source language american english the study is empirically based on the 2008 volumes of the business magazines businessweek and wirtschaftswoche and the news magazines newsweek and der spiegel this selection allows also for statements about differences between the thematically specialized corpora and those that are closer to general language use in total the research corpora comprise over nine million words the study is inspired by the observation that anglicisms are not only transferred as isolated word forms from english to german but that instead they may be borrowed along with their collocates the author provides a broad overview on collocations which is treated very differently in the literature in addition to the corpus linguistic approach she also discusses psycholinguistic and semantic models of collocations the understanding of collocations for the present study is based on the statistically

significant co occurrence of lexical word forms the dissertation may be seen as a contribution to contrastive corpus linguistics collocation and genre research in ihrer dissertation beschäftigt sich julia sosnizka mit der frage ob und inwieweit das kollokationsverhalten von geschriebenen anglizismen im deutschen dem kollokationsverhalten dieser wortformen in der ursprungssprache amerikanisches englisch entspricht als empirische grundlage dienen die jahrgänge 2008 der nachrichtenmagazine newsweek und der spiegel sowie der wirtschaftsmagazine businessweek und wirtschaftswoche mit insgesamt über neun millionen wörtern diese auswahl ermöglicht gleichzeitig aussagen über unterschiede zwischen thematisch spezialisierten korpora und solchen die näher an der allgemeinsprache sind die arbeit ist inspiriert durch die beobachtung dass nicht nur wortformen aus dem englischen ins deutsche übernommen werden sondern auch deren kollokate die autorin gibt in der arbeit einen umfassenden Überblick zum thema kollokationen welches in der literatur sehr unterschiedlich behandelt wird neben dem korpuslinguistischen ansatz erörtert sie auch psycholinguistische und semantische erklärungsmodelle für kollokationen das verständnis von kollokationen für die vorliegende arbeit beruht auf statistisch signifikanter kookkurrenz von lexikalischen wortformen die dissertation ist somit als ein beitrag zur kontrastiven korpuslinguistik kollokations und genreforschung zu sehen
